

# Adoption Process at The Ranch

## Introduction

Thank you for considering adoption from The Ranch! Our adoption process is designed to ensure that every animal finds a loving and permanent home. By adopting from us, you become a vital part of our mission to rescue lives and create homes for neglected and abandoned animals.

## Adoption Fee: R 1500.00

Your adoption fee directly contributes to the well-being of the animals at The Ranch. This fee helps cover the cost of essential services provided to each animal before they join their new family.

## Adoption Includes:

### 1. Microchipping

All animals at The Ranch are microchipped, providing a permanent form of identification. This ensures a quick reunion in case your furry friend ever gets lost.

### 2. Neutering/Spaying

To promote responsible pet ownership and prevent overpopulation, all animals are neutered or spayed before being adopted.

### 3. Vaccinations

Each animal receives a comprehensive set of vaccinations, protecting them from common diseases and ensuring a healthy start in their new home.

### 4. Adoption Gift

As a token of appreciation, every adopted animal receives a small adoption gift.

This includes:

- A Week's Supply of Food: To make the transition to their new home smoother.
- Toy: Providing entertainment and comfort for your new companion.
