Make These Irresistible Deep Fried Twinkies

Written by
Carroll Pellegrinelli – www.thespruceeats.com

Preparation:25 mins
Cook:2 mins
Total:27 mins
Servings:4 servings

Ingredients

- 4 Twinkies, frozen for 1 hour
- 1 cup flour
- 1 tablespoon vinegar
- 1 teaspoon salt
- 1 1/2 cup water
- Vegetable oil, for deep frying
- Decoration: icing sugar

Instructions

1. Gather the ingredients, leaving Twinkies in the freezer until the oil is pre-heated.
2. In a heavy bottomed pot, pre-heat the oil to 350 F.
3. Combine the flour, vinegar, salt, and water in a mixing bowl.
4. Once the oil is pre-heated, remove Twinkies from freezer and dip in batter.
5. Fry the Twinkies in a deep fryer, in hot oil, until golden brown. This could take 1 to 1½ minutes.
6. Sprinkle with icing sugar.

Other sweet treat options

- Other deep-fried treats include Oreos. The above deep fry recipe can be used on almost any sweet treat. Try deep-frying these snack favourites: Snickers, Bar-One or Lunch Bar. Just be sure your chosen item is very cold and fried quickly.

Question 3: Summarising information text [5]

Read the weather report for Durban below:

Good morning, this is Adrian de Wet on the Early show. For those of you who have just tuned in, this is the early morning weather report for Durban. I've got good news for all you beach lovers! The weather in Durban will be fine with clear skies this morning. No wind is forecast. Temperatures will become very hot by midday. In the late afternoon, the wind will pick up, reaching about 15km an hour from the south-east by the early evening. Then, cloudy conditions and light showers are expected later tonight.

So that's the weather for today. And, if you are lucky enough to get to the beach, don't forget to take sunblock. It's going to be a scorching day.

3.1 The information above has been summarised into sentences below. They are in the incorrect order.

Number the sentences 1 - 5 below in the correct order: (Level 3)

	Number
Cloudy conditions and light showers are expected in the evening.	**4√**
Temperatures will become very hot by midday.	**2√**
The weather will be fine with clear skies in the morning.	**1√**
It's going to be a scorching day.	**5√**
In the late afternoon, the wind will pick up to 15km an hour.	**3√**
