[50]

## QUESTION 2

- 2.1
- Smile and be friendly
  - Be presentable
  - Look approachable
  - No sitting, smoking, eating or reading while you are on duty.
  - Don't hover over the visitor's shoulders and sneak up behind them.
  - Do not say: 'Can I help you?'  
Rather offer something like: 'Have you tried this unique product?'
  - Treat all visitors with respect and give them your undivided attention.
  - The stand should be neat and clean.
  - Record visitors' details for follow-up purposes.
  - Watch competitor stands.
  - Give visitors a brief questionnaire and use the feedback for future improvements.
- (Any 5 × 2) (10)

- 2.2
- The reader is the target of the chosen design.
  - Design consists of case, taste, general art, principle, harmony, balance and contrast.
  - Certain norms and standards of design should be applied consistently to ensure stability and continuity.
  - The artistic aspect should not be overdone, as the reader will only look at this and not read the information.
  - A picture tells a thousand words – An integral part of the design can be completely dominated by a photograph or illustration. (5 × 2) (10)
- 2.3
- Advertising is paid for  
Advertisers pay for ad placement and have control over content, space and duration of the marketing message while this is not the case with public relations and personal sales.
  - Publicity does not cost the communicator anything  
The publicity cost is carried by the owner of the medium.
  - Non-personal mass media  
Advertising is done through non-personal mass media (press, radio, television, mail, display boards) in the form of outward communication from the advertiser to the target group.
  - Need-fulfilling product or service  
The message contains information about a product, the characteristics that fulfill the need, the place where it can be bought and/or its price.
  - Identified sponsors  
The target group can identify the sender (sponsor) of the message based on the logo and the brand name of the product, service or business.
  - Target market focus  
Target markets are defined by market segmentation and selection. Markets can be segmented into certain groups like females, children or dog owners.
  - Persuaded towards specific action  
Advertising tries to persuade a target group to choose products or services on the basis of its need-fulfilling characteristics, availability and competitive price.
  - Selective communication  
Readers, listeners and viewers are selective when reading magazines, listening to the radio or watching TV. (8 × 2) (16)
- 2.4
- Special opportunities to exhibit specific products or services in a visual and convincing manner. (2)
- 2.5
- Public exhibition – Held in a public place like the Rand Easter show.
  - Private exhibition – Held at the organisation's own or rented premises.
  - Mobile exhibition – Taken from place to place via road or railway.
  - Portable exhibition – Taken apart and transported to different places.
  - Permanent exhibition – Permanently located on organisation's premises.
  - Special exhibition – Focuses on specific target groups. (12) [50]

**QUESTION 3**

- 3.1
- A crisis always presents itself unexpectedly.
  - A crisis threatens the future expectations and existence of an organisation.
  - A crisis develops at an ever-increasing rate of destruction.
  - A crisis wreaks havoc with the financial reserves of a company.
  - A crisis has to be brought under control as soon as possible by applying sound management skills and the execution of a crisis plan. (5 × 2) (10)
