# Tourism Notes Grade 10 Term 1

## Definition of Tourism:

- Tourism is when people travel to places outside their usual environment.
- They travel for leisure, business, or other purposes.

## Key Words for Tourists:

- **Domestic Tourists:** People traveling within their own country.
- **Inbound Tourists:** Visitors coming from other countries.
- **Outbound Tourists:** Residents traveling to other countries.
- **Foreign Tourists:** Visitors from another country.

## Main Parts of Tourism:

1. **Accommodation:** Hotels, lodges, and guest houses where tourists stay.
2. **Food and Drinks:** Restaurants, cafes, and bars serving meals and beverages.
3. **Transport:** Planes, buses, trains, or cars used for travel.
4. **Recreation:** Fun activities like visiting parks, museums, or theaters.
5. **Travel Services:** Help with booking trips or tours.

## Types of Tourism:

- **Recreational Tourism:** For fun and relaxation (e.g., beaches, safaris).
- **Educational Tourism:** Learning while traveling (e.g., school trips).
- **Medical Tourism:** Traveling for health treatments.

## Why Tourism is Important:

- Boosts the economy by creating jobs and earning money.
- Shares culture and traditions between people.
- Improves services like roads, airports, and hotels.

## Sustainable Tourism:

- Protects the environment (e.g., recycling, reducing waste).
- Helps local people by supporting their businesses.
- Makes sure tourism is safe and fair for everyone.
